Swyve – Anti–Human Trafficking Policy

Effective Date: 20th October 2025

Swyve LTD ('Swyve', 'we', 'our', 'us') maintains a strict and absolute zero-tolerance policy towards human trafficking, sexual exploitation, forced participation, the involvement of minors, and any form of non-consensual activity. This policy applies to all users, creators, visitors, and stakeholders interacting with the Swyve platform.

This document is maintained in accordance with international law, EU Digital Services Act, U.S. SESTA/FOSTA, Visa and Mastercard standards, and our payment processors' compliance requirements.

1. Zero-Tolerance Standard

Swyve strictly prohibits human trafficking, exploitation, coerced acts, minor involvement, non-consensual participation, hidden recordings, abusive content, and any content created under threat or manipulation. Violations result in permanent account termination and referral to authorities.

2. Reporting Human Trafficking or Exploitation

Reports can be submitted to: swyve@swyve.io or to local emergency services (112 in the EU). All reports are confidential and treated as a high priority.

3. Immediate Action During Investigation

Content is immediately disabled upon receiving a complaint. Accounts may be restricted while compliance teams investigate. Verified cases result in permanent removal and reporting to law enforcement.

4. Cooperation with Authorities

Swyve fully cooperates with law enforcement, anti-trafficking organizations, regulators, payment processors, and card schemes.

5. Age and Identity Verification Requirements

All creators must verify identity, confirm all persons in content are 18+, maintain written consent records, and provide documentation upon request.

6. Moderation and Compliance Procedures

Swyve applies manual pre-publication review, continuous monitoring, rapid takedown actions, and escalation protocols. Moderators receive training in trafficking detection and consent evaluation.

7. How to Get Help

EU Hotline: 116 006 | U.S. Hotline: +1-888-373-7888 | Emergency: 112

8. Swyve's Commitment

We commit to safety, prevention of exploitation, legal compliance, fast removal of harmful content, and continuous system improvements.
